

My Team is your team also and we will be strongly focussed on the following;

- Resolving not to increase rates for the full next term of the new Council
- Utilising some of the \$340,000,000 cash stash to fast track long overdue strategic priorities for the region
- Supporting community projects such as Beach to Beach, Schools to Schools and Creek to Creek pathways
- Supporting better disability access and viewing platforms for Tacking Point Lighthouse
- Supporting the Tidal Pool committee in their vision for a tidal pool for our region
- Prioritising the Health and Recreation value of the Lake Cathie and Lake Innes systems
- Supporting local business by cutting Council red tape and delivering on our Economic Recovery Strategy that sees our business thrive, not just survive
- Supporting road projects that address traffic congestion
- Advocating for a road safety upgrade on the corner of King Creek Road and Oxley Highway
- Deleting the Orbital Road blue line that is currently on the table which is marked to demolish homes, school infrastructure and a multi-million dollar dementia village.
- Partnering with State and Federal Governments to co-fund infrastructure to cope with our continued growth
- Raising the Cowarra Dam Wall to ensure water security is provided for the needs of our growing regional community
- Championing the new Aquatic Centre for Port Macquarie
- Valuing our unique canals and working with residents to preserve our very special waterway system
- Advocating for a flyover at the intersection of Houston Mitchell Drive and Pacific Highway
- Protecting our environment and unique amenity by overhauling Council development processes
- Rebuilding and re-engineering Rocks Ferry Reserve to be enjoyed again by our community
- Investing in Christmas festivities each year to bring our community closer together
- Only focusing on core responsibilities of Council and advocating strongly for representation by Local Members of State and Federal Governments to help us respond to issues important to our community
- Focus on strategies to reducing erosion of beach on Illaroo Road Lake Cathie
